By train: Two minutes walk from the Terminal T3 door (floor 0) you will find the train station. The line is C1, it runs every 22 minutes, It **is 8 stops**, which are approximately 8 minutes and you have to go down in María Zambrano station. Leaving to the right you reach the Héroe de Sostoa street and 2 minute walking you Will see the hotel entrance.

The ticket price per person is **€ 1.80** and is purchased at the machines arranged in the same station.

By bus: At the entrance of Terminal T3 (floor 0) you can catch the **Bus line "A"** (L-75), leaving every 25-30 minutes, the journey is approximately 30 minutes and you have to get off at **"Ayala ("Los Arcos")** stop. On the opposite side is the pedestrian street where the main door of the hotel is located.

The ticket price **is 3€** and is purchased directly on the bus paying the amount to the driver.

By taxi: If you use this transport, you can indicate Ayala 18 street, there is the pedestrian street with access to the main door of the hotel. At the entrance of the airport there is a taxi rank, the estimated duration of the journey is 20 minutes and the price usually ranges between **20-25€**.

In Malaga they also have the option of using the **Cabify and Uber** applications. The price of these varies depending on the demand of the service, the time, the date of request, ...

From **Córdoba/Granada**

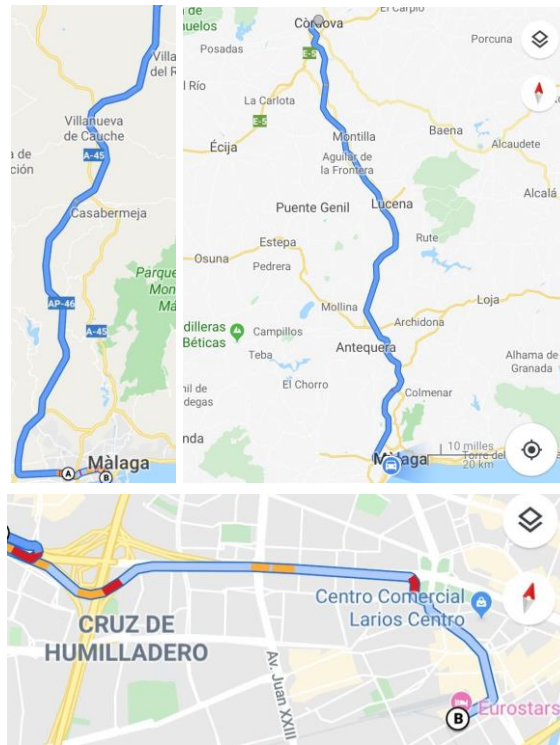

Whether they come from Córdoba or Granada, the address to be placed on the GPS is **C. Heroe of Sostoa 17** and take them directly to the hotel entrance. However, if they wanted to enter the parking lot directly, the address would be C. Hero de Sostoa 13.

- If they come from Granada they must circulate on the A-92M until they are incorporated into the A-45.

-If they come from Córdoba they have to circulate on the A-45.

When both roads cross the **A-92M** with the **A-45**, they can continue on the A-45 until they reach the outskirts of Malaga or they can go on the **AP-46**. Between the two roads there is only a difference of 5 minutes.

 From **Cádiz/Marbella**

 If you are coming from Cádiz or Marbella, the address to be placed on the GPS is **C. Héroe de Sostoa 17** and it would take them directly to the hotel entrance. However, if they wanted to enter the parking lot directly, the address would be **C. Héroe de Sostoa 13**

 From **Almería (or from the coast)**

 If you come to Málaga along the coast area it is very important that you follow the following instructions to configure the address in the GPS.

In order to reach the hotel directly without going through the city center (which is totally under construction), you must **add two stops**, as detailed below. To add the second one for once they have the first address set, on the top right, select the three points and the second option is to add a stop.

As indicated in the images attached below, it would be necessary to put as first address **Av. De Blas Infante** and add a second stop on **Calle Hero de Sostoa 17** (Eurostars Málaga 4 *) so that the route made by the road is direct to our hotel. However, if they wanted to enter the parking lot directly, the address would be C. Hero de Sostoa 13.

If you come to the hotel with your own vehicle (or rented) and want to use the hotel parking you can **access directly**. The address to be placed on the GPS would be **C. Hero de Sostoa 13**. The entrance is located just before the hotel entrance. In the right area there is a direct elevator to the reception of the hotel through which you can access more easily.

We do not reserve places. The special price for our guest is **14€ per day**.
